Feedback	Action
Concerning behaviours at lunchtime.	We have put in place training for the midday supervisors. We are looking into staffing changes that can be made to better support consistent positive behaviours at lunchtime.
Weduc App / timely communications	We will look at 'best practice' from other schools who use the App to improve our communications. See the next page for more information on how to navigate the notice function making notices easier to find. If you have any difficulties accessing either the website or the Weduc App please contact the school.
Clubs falling on the same day	We will try to vary when clubs are run, but this is dependent on staff availability / third party providers.

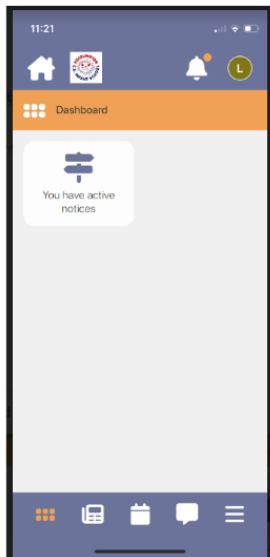

Some feedback suggested that “Messages in Weduc aren’t labelled”.

All messages are labelled, please use these steps to help navigate the messaging system.
